

MA MO RE

Sofa / ottoman created to be used in its compact separable rectangular position to form a corner, or a semi-circle or extended rectangle, but always customizable because the individual elements are joined by a metal hinge, that allows them to be rotated at any angle while remaining united. Modular elements upholstered with flame retardant foam and polyester fiberfill on hardwood frame. On request cover can be completely removable.

MELÒ

Small table with a trapezoidal-shaped table top; designed to support the Ma Mo Re pouf, it can also be used by itself or in other contexts. The position of the structure that forms the legs makes it pleasing even in its free position. It has a steel rod structure D10mm and a steel top.

FINISHES:

Lacquered Opaque epoxy (this makes it possible to use them even outside)
- standard colours RAL 9003 RAL 9005 RAL 7001
- with a surcharge for any RAL colour on the colour chart
