

MADEIRA

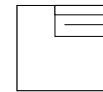

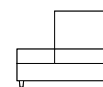

Struttura in abete massello imbottito in espanso; l'imbottitura di cuscino e schienale può essere in espanso a densità differenziata o in piuma d'oca con inserto in espanso; sottofodera in tela di cotone bianco per mantenere, nel tempo, la forma originale dell'imbottitura e facilitare il rivestimento, completamente sfoderabile; piedini in legno tinta noce. Articolo disponibile su misura.
